MINUTES OF LAST MEETING 21ST JUNE 2016

Proposed – B.Macpherson, Seconded A.Harrison

MATTERS ARISING

1. KA to confirm is hotel for sale (legally) is to arrange for a solicitor's letter to be sent to Arngask Hotels asking if the hotel is for sale. This and the response (or lack of response) is required if we are to make another CRTB application
2. Other options AJ an KA to explore vacant land (ongoing) i.e Lomond Hotel site
3. Hall extension discussed and decided SW to go back to Village Hall committee to discuss a sub group further (ongoing) and maybe set up as an independent group and explore the constitution of the village hall committee
4. Hub in Bankfoot visited by a few members of the committee, overall impression very good (café by day/day centre/games/badminton/function rooms). Concluded it was a community centre rather than a "hub" but good ideas for future reference
5. Judicial review –SM advised probably too late (most of group not happy but feelings were to move forward with finding suitable alternative, some of group to pursue this avenue further and measure support within the village for taking a claim further)
Was agreed by all that we may challenge PKC on procedure (i.e a local councillor omitting information that should have been relevant when sitting on the panel)

Finally, KA to draw up an article for Courier outlining our frustrations so far.....
