

Dear Readers,

Once again we are in the holiday lull with many activities resting while people are away and with the beautiful sunshine our thoughts have not yet turned to the start of a new session of (winter) activities. However, back to such news as there is.

Community Council

Eight Councillors and one member of the public were present at the Council Meeting held on the 7th June. A letter from Mr. (now Sir) Alan Smith, the Regional Councillor, was tabled regarding a tour he is to make with the Director of Roads to inspect the roads in the area, and Mr. Lindsay agreed to accompany them. Various improvements considered necessary to the local road signs were discussed, and these will be raised.

Concern was expressed about the practice of young cyclists riding out into Ladeside from the footpath to the Gallowhill Estate.

From the end of August the time-table for the No.55 Perth-Edinburgh bus route is to be revised.

It was agreed that every support would be given to the Tennis Club in their application for a grant towards resurfacing the courts in Hayfield Road.

A request was to be made for more play equipment in Wallace Park.

The next meeting is to be held on Monday the 6th September at 7.30pm in the Village Hall Ante-Room.

W.R.I.

The first meeting of the next session is to be held in the Village Hall at 7.30pm on Thursday, September 9th. Details of the meeting have not yet been finalised but details will be publicised as soon as possible.

RIDING FOR THE DISABLED

Children from Cherrybank, Tulloch and Viewlands schools finished the summer term by taking proficiency tests in riding and care of the pony.

14 Cherrybank children gained Grade I and 2 Grade II. 8 children from Tulloch Grade I, 2 from Viewlandd Grade II. 4 riders from Upper Springlands, Perth also achieved Grades I and II.

Many thanks to the testers, Mrs Campbell, Arngask and Mrs J. Armour, Newburgh and also to the many helpers every week who make riding. for the disabled possible.

GLENFARG RFD CROSS

In June we took ten patients from the Glenlomond Hospital for an outing. Shopping in Kinross was followed by a tea-party at Mrs. Logie's home. It was a most enjoyable afternoon for all of us.

We, in turn, were entertained recently at the patients social evening at the hospital, and we are grateful to Nurse Houston and other members of the staff for their hospitality.

BROWNIES

The Brownies had a very successful weeks Pack Holiday at Logie near Cupar with many expeditions out. The highlight was probably the visit to Camperdown Park and the sail on the Tay Queen. Many of them gained their House Orderly or Cooks Badge during their stay.

The pack will be sorry to lose Miss Jennifer Irving as their Tawny Owl. She has done much to help the pack and on many occasions been able to borrow the mini-bus from Perth Tech which has helped greatly with transport problems.

GLENFARG TENNIS CLUB - SEASON 1982

The Club continues to keep going, even under the burden of rapidly declining court facilities.

Our junior section capably looked after by Janet Thompson, Irene Findlay and Mrs. Logie continues to flourish with over 30 youngsters receiving coaching during the school term on Tuesday afternoons.

Teenagers, of which numbers vary, but totaling twelve, have received some splendid tuition from our No. 1 coach, Mr. Lorne Findlay.

However, with departure of many tennis playing residents last year, the adult section is sadly depleted. Work continues to try and gather in more tennis playing adults and recently our efforts have been rewarded with several new faces. We hope that this will continue as we are again playing matches in the Perth and District league.

New members are especially welcome and we would like them to come down at play on our club night which is Wednesday evening starting at 7.00pm.

We have already had two American Mixed Tournaments, which included more visiting players than residents, what a shame we could not reverse that, and have more residents of Glenfarg playing. If you wish to play in the Tournaments keep your eyes on the Club notice board and the Post Office window for details.

Committee meetings have continued on a regular basis this year and already we have gathered enough informa Lion to allow us to push further forward in our aim to replace our worn out playing surface and surround netting. We have made contact with the local authorities who are assisting us in drawing up details of our requirements and we have informed the local Community Council at Glenfarg that we are trying desperately to replace facilities.

All have been most helpful and is now up to the Tennis Club, with the support of the village people to attempt to replace the facilities. Please, therefore, help by joining the Club and playing tennis. Glenfarg Tennis Club is a happy and enjoyable place to play and with new facilities could become a very useful centre for the whole village to use for many years to come.

Committee Members:- Andrew Thompson, Sheila Christie, Irene Findlay, Janet Thompson, Lorne Findlay, Mrs. Logie, Campbell Watson.

Please contact any of the above if you wish to play, join in with the Club activities or receive more information. Subscriptions are:-ADULTS - £5.00 per annum. UNDER 16 - £1.00 per annum

DAY TICKETS - Adult - 0.50p, Under 16 - 0.25p.

Our activities will continue in both playing and working at getting our new facilities ready for next years season. We detail below our fixtures which we will be playing in the Perth and District league. We have already won our first fixture against Errol.

Due to conditions of our Courts most of our home games are being played away.
