Editorial

It is with great sadness I report the passing of friend and neighbour Jan Macpherson. Jan was instrumental in starting up the Newsletter you have in your hand today. Read about her contribution to the village on page 32.

It's been a year of strange days hunkered down in the house. The cover picture is one I took some time ago in Edinburgh in happier Christmas times when social distancing was not an issue.

Glenfarg as a community has found many ways of dealing with the restrictions on lifestyle. The folk club has gone digital and so has the community cinema. With the facilities offered by Zoom and Facebook, virtual meetings and even performances have been possible. Details of how they are delivering a service can be found in articles within

Halloween with a difference was organised by Alison and Debs to the delight of many youngsters and a report of that night can be found on page 24.

Both the Community Council AGM and the Village Hall Committee meetings were convened digitally and further meetings are arranged. Details of an upcoming virtual meeting for the Glenfarg Community Centre can be read in this issue.

The GITs (Glenfarg improvement team) are going strong. Their latest project is clearing the north verge of the Main Street and establishing a wild flowers meadow there.

Emma Cheape has another excellent article on farming in lockdown. Emma is a talented, professional photographer and has graciously allowed the use of her photographs in the newsletter.

Finally, have a wonderful Christmas and a healthy New Year.

Robin Watson

From the Minister:

If we are to believe the old marketing slogan, then Christmas is a time for giving. As I write this, the list of the top ten toys for Christmas have just been released. I noted some familiar favourites which never seem to age like Lego, Monopoly and Barbie but the most coveted children's gift is predicted to be a little green monster all cutely wrapped in sackcloth from Star Wars called 'Baby Yoda'. Alarmingly, I noticed an entry for a 'Pooping Flamingo'. Imagine waking up to find one of those in your stocking, even if it is made from plastic?

Even before the Wise Men made it to the manger, the baby Jesus was to be the recipient of gifts whilst still in the womb. The presents took the shape of intangible things: kindness and hospitality. His young parents, struggling to find somewhere to spend the night safely in an overcrowded Bethlehem, were shown to a stable. We assume that the innkeeper's hospitality didn't stop at basic accommodation but extended to food and drink too. And thanks to that one simple, human and kind act shown to Mary and Joseph, the baby is born on the first Christmas in a box for animal feed. The incarnation is thus achieved in all its wild contradictions: holiness meets grubbiness; all-powerful meets vulnerability; and God meets humanity.

It is perhaps a sign of getting older and maybe wiser, but my ideas of what constitutes a present are rapidly changing. High monetary value, great intrinsic worth and lavish spending do not always equate with what makes for a well appreciated gift. Some things like human kindness, carefulness and patient companionship can be presents that are beyond price, especially at a season that brings acute loneliness and isolation for many. This year, the necessary restrictions caused by the pandemic of Covid-19 will only add to the difficulties many face and 'hospitality' may well still be a 'no-no'. Even so, maybe this Christmas, we should re-think our Santa List and dispense more on a low-cost but high-value basis. And return to 'stable values.'

Baby Yoda and the Pooping Flamingo might have their day, but the gift of one small act of compassion can last an eternity.

Despite all our tribulations can I wish you all a happy and peaceful Christmas and a much kinder and safer year ahead.

Kirk News

One piece of positive news is to report that Joyce White was appointed Session Clerk at the last Kirk Session meeting which was conducted by Zoom. Joyce brings a wealth of teaching experience and school management to the job and we thank her and wish her well in this important role.

The ever-changing regulations regarding church services have proved to be a challenge, but despite many restrictions, physical services are now taking place again at Abernethy and Arngask. Sadly, our war-memorial services had to be cancelled on Remembrance Sunday and due to the inability to sing and the need to wear a face-mask whilst in church along with heavily restricted congregational numbers it will not be possible to hold any Carol, Christingle or Watch-night services this year.

On a more hopeful note, a mid-week afternoon service has been taking place every fortnight alternating between the two churches. A Zoom Café Church service has also been held fortnightly and in addition to this, Rev Stan has been sending out 'Virtual Church' services every Sunday. Current worship information can be accessed through the Church ADA (Abernethy & Dron & Arngask) Facebook page. Here you can find details about how to 'register' your 'Trace and Protect' details, get the weekly service sent to your computer and join in with Café Church by Zoom.

Indoor Play

2 BEDROOM APARTMENT TO LET IN PAPHOS CYPRUS

Lovely 2 bedroom garden apartment to rent.

About 3km from Paphos Harbour and only 900m from the sea.

Main bedroom has a big double bed, plenty of cupboard space, and a patio door leading to a small garden, with patio table, chairs, and parasol for you to dine "al fresco".

Second bedroom has 2 single beds, and, again, plenty of storage.

Fully furnished and very comfortable, with air-conditioning, excellent kitchen area (fridge freezer, washing machine, oven and hob etc)

The bathroom has WC, bath and "over-bath" shower.

Plenty of towels, bedding etc all in apartment, so no need to carry that extra luggage. 2 communal pools, plus a children's pool, set in lovely gardens, and close to bus route and local tavernas. Nearest taverna is less than a 5 minute walk away! Only 20 minute drive from Paphos airport and collection can be arranged.

Realistic rental rates, as I am only looking to cover ongoing bills and expenses.

Glenfarg Community Centre News

Glenfarg Community Centre needs your support!

The pandemic has highlighted the importance of our community being able to meet together and socialise. We are all missing this aspect of village life and looking forward to when we can get together once again.

It is good to know that the Hall is once again open for community groups to use - albeit in a limited way with social distancing etc. We hope that our community groups will once again make use of the facilities that are available.

As you may know the Hall Committee has reorganised itself so that it is better able to bring on the exciting plans to create a Community Centre that will bring together the existing Hall and the adjoining Schoolhouse as one building offering a variety of space for community use. In addition to offering space, it is also planned to offer food during the day and to arrange groups for young people.

To do this we need your help. The Board of Trustees is responsible for running the Hall but there is also much that needs to be done to make the Community Centre plans a reality. If you have energy and enthusiasm to help your community — especially as it recovers from the Covid pandemic then please have a word with one of our Trustees. There are many different ways in which you could help - and one of us can give you more information about what we do and how you might be able to help. We need new ideas, enthusiasm and support so I hope you will step up and have a chat with one of us soon.

In particular, the Village Hall needs a Trustee to look after the buildings as Property Convenor. This important role involves making sure that any necessary repairs and maintenance are carried out and the buildings are properly looked after. If you are a handy person and would like to help out then please have a word with Cedric Wilkins on 07768661160 or email me at cedric.wilkins@gmail.com

Our AGM is on December 2nd (virtual) and more details are available on our website https://www.glenfargcommunitycentre.com/

Cedric Wilkins

Glenfarg Village Hall/Arngask Hall Annual General Meeting arrangements December 2nd 2020 19.30 (virtual by Zoom)

We have now received from our Independent Examiner the 2020 Annual Report and Accounts for the Hall, and are in a position to put these to our AGM for approval. The Accounts are available on the website at https://www.glenfargcommunitycentre.com/

I would like to thank both our Treasurer, Ross Blakie, and our Independent Examiner, David Johnston for the preparation of these Accounts.

Because of the reorganisation of the Village Hall Association into a Charitable Incorporated Organisation (or SCIO) there are two sets of Accounts. This means there will be two parts to the AGM – one following the other.

These will be on the same date of Wednesday December 2nd starting at 19.30 with the Village Hall Association AGM and followed by Arngask Hall (SCIO) AGM. In addition to the approval of the accounts, the Agenda will include a motion to wind up the Village Hall Association, This was approved in principle at the AGM held on November 26th 2019. The motion is available to view on the Glenfarg Community Centre website and also appears below. There will also be elections to the Board of Trustees of the SCIO, Arngask Hall.

Remember that the Village Hall membership includes anyone living in the community, whereas the Arngask Hall membership includes only those who have signed up as members. If you wish to join Arngask Hall as a member the application form is available on the Community Centre website. I would encourage you to do this in advance of the meeting – there is no cost involved. However, if you are not a member of the SCIO you will only be able to vote on the matters relating to Glenfarg Village Hall Association.

Because of the current restrictions on meetings, the AGM will be held virtually by Zoom invitation. The invitation will be sent to all Arngask Hall members who have provided an email address. Anyone else wishing and eligible to attend, and not receiving an email invitation, should email me in advance of the meeting so that I can reply with an invitation. My address is below. My email invitation will have a link highlighted in blue that you need to click on and open the meeting connection to be admitted to the meeting.

The Agenda for the AGM is on page 43. I hope you will be able to attend this meeting and if you have any questions please contact me. Cedric Wilkins, Chairperson cedricwilkins@gmail.com M07768661160

Glenfarg Tennis Club

We have recently managed to replace Chris as our club coach. In these difficult times, again adversity seems to have been lenient. Chris was a great coach, well loved by all the juniors at the club. We were ambivalent about him finding a new position, teaching kids with difficulties, but we're delighted he has found a position which suits him to a tee and there is no doubt that our loss has been a deserved gain for the children he will teach. Good luck Chris.

Then, just as our search for a new coach appeared fruitless, up popped Norman McGlinchy. From nowhere! Well, Dunfermline. Norman is a great Grade 5 coach who knows the ropes. He has nearly 30 children eating out of his hand every Tuesday, and has even impressed the 'Old Faithful' into seeking his guidance.

The courts continued to give us grief! They hold water better than any sponge and make normal tennis impossible. Also with balls heavy with water, there is an increased risk of injury. So, after weeks of meetings and visits to other clubs, we bit the bullet and lifted the carpet on court 1. What a job! Luckily, we had a veritable army of helpers, all old guffers except for Hamish, Elliot and Robbie who did the bulk of the work. Really, I'd forgotten what strength youth has. Without those three, we'd still be doing the job now!

So we split the carpet into 50 pieces. What next? One person couldn't move... I mean Move! Not lift. Move a single piece. So another stalwart on the short list of Glenfarg Tennis Club worthies, Billy Allison came to our rescue with a fork lift truck and a flatbed lorry. The job took most of a day, but Billy and his men did a magnificent job. It was a full load for one of those massively long, flat lorries. Thanks again to Billy. What do you give to a man who's already got life membership??

Now, I apologise sincerely and deeply to anyone, especially the dog walkers who have been inconvenienced by the mess that our work on the tennis courts made of the ground immediately adjacent to the courts at the number 3 end. Initially we had thought with the tennis court carpet under the caterpillar tracks, we could limit the damage, but it just made it worse.

We have taken remedial steps to right the damage and have put the kerbing back better than it was before. But once again, I am really sorry for all the inconvenience and muddy boots it caused.

It has meant, though, that we could get the court marked out on the tarmac underneath. The new surface plays true and without getting the balls wet- an absolute luxury! We are playing regularly, even in November and it has enabled us to finally play some of our internal championship. So far, we have two results. Mervyn and Ann won the Mixed doubles against Maud and John. Then on the new black court, Alex won his first Glenfarg Men's singles title against Mervyn. Thank you Pfizer and BioNtech for letting us plan the celebration. They'll be dancing in the streets of Hillton of Duncrievie!

Glenfarg Folk Club

"The show must go on"

www.glenfargfolkclub.com

The club still meets every Monday evening with 25 to 30 people in the audience, be it Zoom or Facebook Live. Like most groups or individuals, we are now very familiar with 'meeting' electronically. In the music world audio quality is the key, so our guest artistes prefer to stream via Facebook Live. For club Sing-arounds we use Zoom.

We are certainly not a closed shop, absolutely anybody is welcome to join us. Best of all there is no charge, although Club Members pay a subscription of £20 per annum. Feel free to contact the club via the website address above and we will give you full details of what, when and how. You will be made most welcome.

Each month there is a guest artiste from somewhere around the world, a Gathering Concert with four performers and two Sing-arounds. Something for everyone.

On the negative side our plans to hold our annual Folk Feast at Backstage, Kinross in April 2021 have been scuppered for another year. Instead it will be a virtual event as it was this year. It was extremely successful so we will build on that.

The full live artiste concerts from recent months, two forty-minute sets per artiste, are all available to view on our website. Edwina Hayes, Paul Walker & Karen Pfeiffer and Winter Wilson will amaze you with their musicianship and performing talents. To find these go to the website address above.

Philip Ponton, Club Secretary and Website Editor.

Glenfarg Improvement Team (GITS)

As I said in the last issue of the Newsletter this has been a strange time for the GITs as we undertake wee jobs around our village, with social distancing and restrictions on how many and where we can gather, some things are on the back burner. However that hasn't stopped us finding a couple of small projects to keep us out of mischief. A project which will be best appreciated next Spring and Summer was the creation of a wild flower meadow behind the hanging basket posts at Main Street's North end. This piece of land is owned by P&KC and GDIB have been allowed to maintain/develop this area. For us oldies who can remember back to what this area was, putting it politely a dumping ground, any

maintenance was an improvement. The ground there is of exceedingly poor quality and is extremely uneven which has made the task of just strimming it real hard going. GIT Eric drafted a proposal to GDIB to create a wildflower meadow and his proposal was immediately accepted.

Under Eric's guidance the gang set about clearing the area's top thatch and despite years of trying to control this area we still uncovered some "interesting" dumped items.

continued overleaf

The weather was relatively kind to us so it's fingers crossed for a stunning display next year. Oh, and hopefully the wildlife will appreciate it too!

Another wee job we managed to complete was the planting of some additional bulbs along the South verge and again fingers crossed for a great show in the Spring. And always remember that if you're a GIT everything stops for tea (and cake).

See how to create a wildflower meadow in the GDIB piece on page 38.

With all the Covid restrictions in place, it was looking like Halloween would be cancelled this year. But up stepped Alison and Debs, who were determined that the kids would get their treats.

With the help of volunteers, a Scavenger Hunt was quickly organised. Little ones were encouraged to go for a wander with a big person around the streets of central Glenfarg to solve the clues on the Halloween sheet.

Ten villagers put a poster in their window to match the clues on the sheet, and when they had all been found, the Halloween sheet could be returned to the Village Hall to claim a spooky treat.

But more than this, other residents joined in with the spirit (Whoo . .) of the occasion.

There were ghosts in the trees, pumpkins on the doorsteps, spooky tombstones and even a display in the back of a car.

Everyone had a socially distanced great time.

Alison and Debs would like to thank everyone who helped make this event a big success.

Now - how about lighting up our windows and front gardens in December to celebrate Christmas?

GLENFARG COMMUNITY CINEMA (*)

Those were the days! A hall full of happy people settling down to watch a film together. Unfortunately, with the present Covid restrictions, the cinema committee didn't feel happy about inviting a reduced number of people to social distance in a hall that would need extra ventilation. And under those conditions, we wouldn't even be able to cover our costs.

We were aware, however, that the dark nights could make people feel even more isolated. And so the idea of the 'virtual cinema' was born. Why not plan an evening when we would all watch the same film on Netflix in the comfort of our own homes - with drinks and nibbles by our side. We could have the usual introduction done via Zoom, and all meet up again on Zoom after the film to have a chat about it.

First of all, we tried it out amongst ourselves. It worked! So in November we invited others to join us by putting an advert on our Facebook page and emailing our contacts.

Here are our reviews of the films we have watched so far, and details of the one we will be watching in December. If you would like to join us, email janet watson@mac.com and you will receive an invitation to Zoom.

The Peanut Butter Falcon: We were first attracted by the strange title, but this film turned out to be an all-round winner. A feel good comedy drama, it was a directorial debut for its two writers and went on to become a 'sleeper hit' - the highest grossing independent film of 2019.

In a Huckleberry Finn storyline, Dakota Johnson and Shia LaBeouf set out to help a young man with Down Syndrome (Zack Gottsagen) fulfil his dream of meeting his hero and taking part in a professional wrestling match. We all voted it a Very Good film.

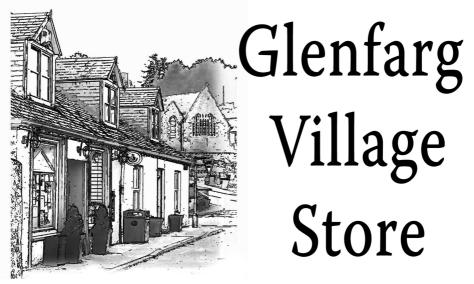

Marriage Story: This was our choice of film to watch in November. Written and directed by Noah Baumbach, married couple Nicole (Scarlette Johansson) and Charlie (Adam Driver) have agreed on an amicable split - and then the lawyers get involved.

Our response to this film was mixed. Most felt it was slow to get going but agreed that the acting was brilliant, especially in the highly charged confrontation scene. Our comments ranged from 'It wasn't for me - I started reading my book' to 'I thought it was fantastic'. So I would encourage you to try it and decide for yourself.

Friday 11th DECEMBER - October Sky
The true story of a coal miner's son who was
inspired by the first Sputnik launch to take up
rocketry against his father's wishes. This film won
the Critics Choice Award for Best Family Film.

We have watched several biographical films and it's always interesting at the end to find out what happened to the real characters from the film.

Here for more than the occasional snow storm or the odd pandemic!

Opening Hours

Mon. to Fri. 8am to 7pm Sat. 9am to 5pm Sun. 9am to 3pm glenfargshop@gmail.com 01577 830823

On the van

Haddock, Smoked haddock, Salmon, Smoked salmon, Mackerel, Kippers, Rainbow trout, Seabass, Cod, Hake, Lemon sole, Pickled herring, Eggs, Artisan breads, Seasonal fruit & vegetables. Lobster & Crab pre-order.

New Cub Scout Leader

My name is Michael Mchardy and I am the new cub leader for the Glenfarg cubs 77th Perthshire. We are currently holding meetings at the Glenfarg Village hall on every second Monday @ 6pm to 730pm.

A bit about me: I grew up in the village and attended beavers, cubs, scouts and explorer scouts, I learned lots of life skills from camping, cooking on open fires and how to safely use axes

and saws to name but a few things. After that, I headed out into the world of work and a year of travelling in Australia. I joined back up with the scouting movement briefly in Brechin and Inverurie, but work always seemed to get in the way, and I had to give it up until I could have a better work/ life balance.

I managed to achieve this when I joined the 1st Aberdeen cubs and started my leader training with help from parent helpers who turned into leaders, and the management team in the 1st Aberdeen district. Earlier

this year I moved back to the area and have joined up with Glenfarg cubs again and with Robert Morton who was my Scout leader when I attended scouts.

My vision for the cubs in Glenfarg in the coming terms is to work on some of the badges that we can achieve in cubs. We have already completed the Astronomers badge and are working on the navigation badge as I write this. As with most things at the moment, we are obstructed bγ coronavirus and we are following all of our risk assessment items to make sure we are as safe as possible. This means that we try to have as much outdoor stuff as we

can and we are socially distanced from the kids at all times. We are not able to do any camping with the cubs at the moment but we will hopefully get back to it next year if all goes well. Camping with the cubs is a great opportunity to earn badges and work towards the chief scout silver award which is the highest badge achievable in cubs.

Michael McHardy

It gives me great pleasure to welcome Mike as Cub Leader to the scouting family in Glenfarg, particularly as he is "one of ours". He has learned a lot in his time away from the village, and I anticipate that the cubs, and the group as a whole, will benefit greatly from that experience.

Robert Morton, Group Scout Leader

Jan Macpherson

The passing of sad Jan Macpherson in August brought untold grief to Bill, Helen, Anna, Will and their extended family and friends. Nothing prepares one for this situation but it got villagers talking about Jan and her contributions to this village where she and Bill made their home. If all the tales about Jan were to be put down in print the Editor would need to publish a 20 page supplement.

However there was a common thread that ran through the tales, that thread was of a kind woman, an industrious woman, an organiser and a fun loving woman but most of all a family loving woman.

Interestingly as you read this Newsletter you may have to say thank you to Jan as she was one of the founders of this regular village publication and, back in the '70s, I'm sure her neighbours in Birch Lane would have heard the clanking of the "printing press" emanating from the Macpherson household, In later years, the garden bench presented to her on her retiral from the Newsletter, became Jan's favourite lunchtime spot, weather permitting of course. Again back in the '70s Jan was instrumental in setting up the Baby Sitting Circle operated on a points system and, although Jan's socialising and committees often saw her in the red, no-one minded babysitting for the Macphersons as there was always lovely home baking for your supper.

Jan's contribution to the community continued as Chairman of the Playgroup and Secretary of the Village Fete committee and it was she who restarted the Guide Company in Glenfarg. Although Jan was always involved with something, she still found time to lend a hand as and when required, be it giving someone a lift to a hospital appointment or helping set up at a fundraising event. And of course no-one forgets all the good times, the fun and laughter times and the silly times - the dinner parties, the fancy dress parties and the Wine Club shenanigans. Even during our restricted summer activities Jan raised a smile when, at a small socially distanced garden get together, she noticed that the hostess's husband had included a small bottle of Avon air freshener among the bottles of hand sanitiser.

Rest in peace Jan - we all miss you.

Ivor Gordon

Ivor and Dorothy Gordon are very reluctantly moving away from Hayfield Road to live in Livingston close by their family. We have been here for thirty happy years and bid farewell to our friends in the village, in the church and to our wonderful neighbours. God bless you all.

Sent from Ivor

Sadly, Ivor died suddenly on the morning of 16th November in his new house in Livingston. Ivor and Dorothy had lived in Glenfarg for some 30 years and were both active in the church. They were also good supporters of the Community Cinema and Ivor was a very keen angler. Our thoughts at this time are with Dorothy and the family.

Alex Johnston

Farming In Lockdown

Where has this year gone? I still remember sitting in the lambing sheds back in March as the country went into the first lockdown, never imagining we would still be in a similar position on the run up to Christmas.

Although we are what seems like a long way off our 2021 lambing, it's what's at the forefront of our minds just now. A lot of farming is about planning for the future and right now we are planning for lambing by putting our tups (male sheep) out to the fields.

The tups will be out working from October through to December with each individual tup getting a group of about 50 ewes for a six week period. We put the tups out to their groups of ewes at different times, this allows us to manage the ewes better at lambing time, bringing them in to the sheds in groups of 100 as they are ready to lamb.

Our autumn calving cows are all now inside and have now nearly

finished calving, there's just two left who don't seem to be in any rush at all! This group of 105 cows have been calving since mid August and hopefully will be finished by next week (fingers crossed).

After a summer out at grass the top 60% of last years autumn calves have now been sold to other farmers to grow on for about the next 6 months before they are ready for the supermarket shelves.

Our other group of 45 cows, the spring calvers, had a visit from a specialist cattle pregnancy scanner. This allows us to see what cows are pregnant and carrying a single calf or twins and also if any of the cows haven't held to the bull. Any of the cows that aren't pregnant get sold and the others will be fed according to the number of calves they are carrying. This allows us to be more economical and less wasteful with feeding.

We have also recently weaned the spring calves off their mothers and they have come inside for the winter to be fed before being sold in the spring. The cows will remain outside until the weather gets too hard. Anyone walking round the Arngask loop will spot these girls before they heads inside for the winter.

The silage we harvested back in July and September has now had time to sit and ferment/pickle and is ready to be fed to our cows. We analyse our silage to allow us to see how much goodness and energy is in this feeding so we can draw up the correct diets for the different groups of cattle we are feeding. Our best silage goes to our recently weaned calves and freshly calved cows with the poorer quality silage going out to the spring calvers. The spring calvers are currently only being fed straw and we avoid giving them the best quality silage to prevent them getting too fat which then leads to problems at calving time.

This year seems like an easy one to write off, however I feel this year has, when we stop and think about it, provided a lot of

positives. The majority of us will have stopped for a moment and appreciated what's around us a little bit more, our families and friends, the small green space that is your garden or the greater countryside you have been able to explore, a greater sense of community that has been created not just locally but nation wide and especially a greater appreciation for our key workers who now battle the second wave of this virus hitting the country.

Moo the festive pet calf with her best friend Harris

I wish you all a very safe and Merry Christmas when it comes and will hopefully see lots more of you enjoying walks round the Arngask loop on what, at the moment, seems like the very rare dry days. I have had some lovely mornings spent chatting to locals (socially distanced of course) about life on the farm and what's going on in the fields while I'm out riding my horses and I look forward to many more.

Emma Cheape

elenfare and bungrievie in bloom

Before After

Summer and Autumn 2020 has been and gone and while some aspects of these different times are best forgotten, there are so many positives emanating from the community of Glenfarg and the work of GDIB is certainly included in that number. Early in the year we knew that things would be different this year but thanks to the amazing planter adoption volunteers we still had that splash of colour to brighten up any dull day. The success of the planter adoption scheme was so great that we hope the volunteers will step up again in 2021 and this time GDIB will hopefully be able to supply them with plants and do the watering for them. If either of these obstacles made it difficult for you to volunteer this year maybe you'd like to volunteer next year. Contact Irene on 830441 or Kate 830343.

GDIB with support of the GITs have created a wildflower meadow at the north end of the village and you can read all about that in Eric's article on the next page. There's also been a lot more bulb planting along the south verge and the Glenfarg Green has also had some major tidy up work undertaken. The area around the new planter on south verge has taken shape, the area behind the wall given a much needed haircut and the 2 new beds in Ash Grove will be magnificent as they become established. All of these tasks have been difficult due to current restrictions but thanks to the respectful behaviour of our volunteers we have been able to continue safely.

Our fundraising events were cancelled this year but sadly our expenses, e.g. insurance, fuel and maintenance, were not. Times are hard for many people right now so it would be wrong for us to come round with the begging bowl. However here's something you can do at no cost to you, register with easyfundraising and choose Glenfarg & Duncrievie in bloom as your preferred cause. As you do your online shopping you could be helping GDIB to continue their work in this community. Several people have already signed up and the donations are already coming in. I've also registered and I couldn't believe how easy it was and if you set up the donation reminder link you'll never miss an opportunity to donate. The link is on the Glenfarg Grapevine but you can just log in to-

erowing wild in glenfare

It's a good time of the year for planting a patch of wildflowers. By next summer you will have a splash of colour and the inner glow of knowing you've helped maintain local biodiversity. The GITs are converting a strip of land at the north end of the village into a wildflower area. Not so much for the inner glow. More for the tea and biscuits and the chance of a socially distanced blether.

If you have an area of grass to plant into, it's best to strip off the grass and remove some of the top soil. Hire a turf cutter for large areas or just use a spade for small mini-meadows. Enjoy the feeling that you have now finished the hard work.

For the GITs, life wasn't that easy. The strip of land at the north end of the village was full of lumps and bumps with stones sticking out through the grass. It took two strimmers and a lot of vigorous raking to expose enough soil for planting. Next select a suitable wildflower seed mix. Scotia Seeds sell a Bee, Bird and Butterfly mix which the GITs spread along with a woodland meadow mix below the trees. Try adding dry fine sand to the seed to make spreading easier. Breaking large areas down into smaller blocks helps for even dispersal. But you don't have to be too exact. In the end, the flowers will grow where they want to grow.

Finally, add the secret weapon, Yellow Rattle. This plant is parasitic on grass and will reduce its vigour, leaving open patches for wildflowers to colonise. Yellow Rattle seed is expensive so it is important that every seed is in contact with soil. In a meadow, cattle graze the aftermath, their hooves breaking through the turf exposing soil where seed can germinate. The GITs don't have a cow. So they improvised by lifting hoof sized clods with a mattock.

Next autumn, when the wildflowers have shed their seed, cut the grass back and remove the cuttings. Keep the area nutrient poor. In a wildflower meadow the grass would be cut and baled with cattle finishing off the residue. However stick to cutting and composting as your neighbours might not appreciate a four legged friend.

GLENFARG COMMUNITY COUNCIL - MINUTES OF ANNUAL GENERAL MEETING

Monday 2nd November 2020 7:00pm virtual meeting via ZOOM

PRESENT: CCllr Ponton, CCllr Pilmer, CCllr Horsman, CCllr Duncan, CCllr Fraser Minutes Secretary G.Christie. PKC Cllr Purves, PKC Cllr Robertson

APOLOGIES: CCIlr Warder

1. WELCOME AND INTRODUCTION:

GCC Chair CCIIr Ponton welcomed everyone present to the meeting and explained what the format of the meeting would be.

2. ADDRESS FROM THE CHAIR COVERING PERIOD 2019-2020

CCIIr Ponton then presented an overview of the Village and its resident's commitment to the support of all within the village due to the current Covid-19 virus. Special mention was given to the Village Shop owners for their public and shop's support for us all. It was noted that they carry out an important role within or village and that we must continue to support them. Cllr Ponton spoke about the expansion of housing within the village boundary and that it was an ever expanding community with wonderful facilities, School and Village Hall.

CCIIr Ponton thanked her team of CCIIrs for their work throughout the year and extended this thank you to the PKC CIIrs: C.Purves, W.Robertson, R.Watters and M.Barnacle for their valued support and professionalism.

3. ANNUAL FINANCIAL STATEMENT:

Treasurer CCllr Horsman gave a detailed statement of the financial accounting period 2019 to 2020 for the GCC as follows:

Your Local

4. ANNUAL PLANNING STATEMENT

Cllr Duncan presented an overview of the Planning period from 2019 to 2020 as follows:

Planning AGM Report 2019 - 2020

This planning report covers the time period from 1st May 2019 to 31st October 2020. In that time there have been 14 planning applications made within the Glenfarg CC area. They are listed below in a chronological order with links. The list also includes 4 applications relating to the Binn Eco Park which lies within Abernethy CC area, but which has an impact on Glenfarg.

The most noteworthy applications includes the consented application for the expansion to the village hall, the consented application for the Binn wind turbines, and the two ongoing applications for housing developments of 6 and 7 houses respectively, in Duncrieve and on Main Street.

Glenfarg CC commented on the Duncrieve development and this led to useful discussions with PKC regarding the local development plan.

Glenfarg Community Council Monday 2nd November 2020 Business Meeting 8:00pm

Agenda

Welcome

- 1. Apologies
- 2. Approval of last business meeting Minutes
- 3. Action Points update
- 4. Planning Report
- 5. Police Report
- 6. Finance Report
- 7. AOCB

Welcome

GCC Chair CCIIr Ponton thanked her team for their attendance through email and expressed her gratitude to the owners of the Village shop, to all villagers and many others for their valued help at this troubled time in our community.

Attendance through ZOOM Meeting: CCllr Ponton, CCllr Pilmer, CCllr Horsman, CCllr Fraser, CCllr Duncan, G.Christie Minutes Secretary, PKC Cllr Purves and PKC Cllr Robertson.

- 1. Apologies CCllr Warder
- 2. Approval of last business meeting Minutes. Proposer CCllr Fraser, Seconder CCllr Ponton
- 3. Action Points update:

Crash barriers

Cllr Purves reported that the matter had been raised with the requisite people in PKC and that further feedback from the GCC with regard to the exact areas could be an advantage in stating a case for remedial work. Further discussion took place regarding the road condition and the reapplication of an anti-slip surface There was a suggestion to seek assistance from the Binn Group however it was agreed that PKC be written to with the inclusion of a road map highlighting the roadside areas of concern for improvement. Cllr Robertson agreed to provide the PKC contact details to the GCC Secretary. *CCllr Pilmer*

Greenbank Crescent

Cllr Robertson discussed the matter of concern and stated that the relevant authorities were aware of anti-social behaviour in the area and that it was being addressed.

Footpath from Ladeside to Ash Grove

It was agreed to monitor any feedback from the village residents should the pathway appear to deteriorate. All GCC CCllrs

G.Christie co-opted CCIIr

G.Christie's co-option has been resubmitted to the Community Team at PKC. CCIIr

Bridge of Eam, Perth.

Ponton requested that the GCC Secretary was to keep pursuing the matter for a satisfactory outcome for G.Christie. *CCllr Pilmer*

Christmas Lighting

CCIIr Fraser reported that the matter was in hand with the relevant PKC department and that we shall have the increased display in time for the festive period Covid Response

CCIIr Fraser reported that a further £260 had been secured from Community Covid Fund offers. Further discussion with the Village shop owners shall take place to establish where the expenditure of the fund can be best directed to. *CCIIr Fraser* Glenfarg Website

CCIIr Fraser reported. This topic has been withheld whilst we allow the impact of the lockdown to ease. It is to be revisited in due time.

20MPH limits in our area

CCIIr Ponton reported that the 20mph speed restrictions within the confines of the village had been installed by PKC and that we shall see speed reduction amendments to a number of roads. However, it was discussed further that some of the other roads within the village could benefit from a 20mph extension given consideration to what has now been implemented for the Primary school routes. A discussion took place regarding the Main Street and the use of speed ramps/humps as well as a reduction to 20MPH. It was agreed that PKC be written to with further suggestions about this matter. *PKC Cllr Purves*

4. Planning report

CCIIr Duncan stated that there were a number planning matters to be discussed per his report, please see below. However, what was of concern was the proposed development by the Stephen House building company regarding the seven planned properties adjacent to the Main Street. It was pointed out that the proposed development of the properties indicated that their road access was direct on to the Main Street itself. Presently this is a 40MPH limit and that it was a matter of concern that there may not be a request to extend the 30MPH limit prior to those properties. It was agreed that two points require to be clarified with PKC planning and they are: access to the Main Street and Speed limit. *CCIIr Duncan*

Erection of 7 dwellinghouses

5. Police Report

CCIIr Pilmer stated that there were no serious crimes within our community to report. Police Scotland's Area Commander's Bulletins are added to the Grapevine FB on a weekly basis. Additionally, following complaints by residents and one business owner about the speed of all types of traffic through the village, especially on Main Street, Police Scotland CPT carried out a speed check although on the day they did not have to report any offenders. Speed monitoring will continue to be on the Community Policing Team's agenda.

6. Finance Report

CCIlr D.Horsman stated:

A discussion took place with regard to the School Fund and how best that this should be "wound down". The donation of the remainder of the funds monies to the general well being of the residents through the Wallace Park improvement or the continued support to the Primary School leavers through the provision of School ties to the leavers on their progression to Secondary education or to a charitable cause. Further discussion is to take place. *CCllr Horsman*

7. AOCB

56 & 55 Bus routes

CCIIr Ponton reported that discussions with PKC Transport department are still ongoing in consideration of the 56 service. It was envisaged that an additional timed service be put into place for transit to and from Perth. However, we will await confirmation of this point and notify residents through our media facility in due course. The 55 service to Kinross has commenced and it has been received warmly. Nevertheless, it was discussed that the service was rather quiet and that NHS Kinross Clinic times and other public facilities/groups that would be ongoing in "normal" times may not be tying in with the 55 service. The GCC can only request that residents try their best to make use of the 55 service.

Defibrillator

CCIIr Fraser reported that the Defibrillator has been checked and returned to service following its recent use. CIIr Fraser reported further that he had written to K.Colville of PKC highlighting the requirement desired from other communities/organisations to ensure that their Defibrillators are maintained on a regular basis.

Emergency Plan

CCllr Fraser stated that he will carry out a review of the plan as it is in its current format, review it and publish an updated version. *CCllr Fraser*

Glenfarg Hotel

CCIIr Ponton raised the matter of the exterior condition of the building and that there was an overall public concern. It was noted further that barriers blocking off the hotel car park have in fact been pushed aside and requested of PKC to be aware of the continuing deterioration of this property and its grounds. CIIr Robertson was asked to remind the relevant PKC department about this property. *CIIr Robertson*

Overgrown Hedges on Public footpaths and elsewhere

CCllrs raised the matter of hedging starting to impeded onto pavements and other public accesses within the village. Cllr Robertson stated that home owners are expected to ensure that they keep Public footpaths clear and to avoid people having to step on to the roadway. The matter can be reported by any person through the PKC website for Road faults. Once a matter is reported to PKC it is progressed through the Greenspace Team nevertheless it can take time for action to be instigated. This can be in one of two formats: 1) PKC carry out the work on public entrances/roadways or 2) the home/business owner is contacted to have the trimming

work carried out by them or by PKC at a charge.

The GCC urges residents to ensure that Public footpaths adjacent to their properties be kept clear of hedging thus avoiding the need for pedestrians to have to step onto the roadway without good reason.

Wallace Park update

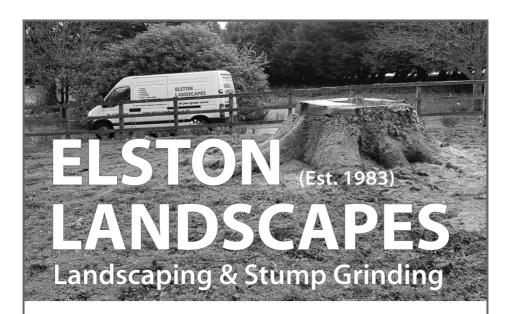

A delay has taken place with the finishing off of a pathway. This will be addressed in due time with consideration to the availability of the pathway material and weather conditions.

A discussion took place with concern to a suggested proposal, but not officially confirmed, for hard standing in Wallace Park with regard to the Tennis Club for vehicular access. A route that is currently a walkway/cycleway was suggested as being a likely route however, the Community Council would not support the suggested proposal unless it is as a result of a full Village consultation from interested parties.

Close of meeting at 9:00pm

Next proposed GCC Business Meeting is Monday 11th January at 7:30pm. Format to be confirmed
